

Dear Pageant and Fair Friends,

The Ogle County Fair Queen pageant is once again pleased to announce that we have a basket available to purchase in support of the 2017 queen pageant! This year we're not only excited about having a basket to offer, but even greater, it's HANDCRAFTED in our home state of Illinois. Judy Hogdin of Apple River, Illinois is once again creating our pageant basket exclusively. Some of you may have been fortunate to have seen her booth and the variety and quality of her baskets at Autumn On Parade last fall, but this year she is unable to attend Autumn On Parade, but luckily for us she will be running her booth from the Ogle County Fair this year.

The basket she crafted for the Ogle County Fair specifically, is an 8½ round basket, resting on a lazy susan pedestal, with a divided section allowing for napkins, small magazines, or items of that nature. The base and dividers are of solid wood construction, and the basket is stained in a beautiful medium brown to compliment its design with navy blue intertwined. Each basket will be numbered as in years past. We can offer the basket for the price of only \$40 dollars each this year.

We wanted to let you know about the basket and give you the opportunity to order now. If you are interested in ordering a basket please fill out the attached order blank form and send it to Ogle County Fair Association, 1440 N Limekiln, Oregon, IL 61061. If you have questions you may call the fair office at 815-732-6962.

Once again, thank you for your valued support of the Ogle County Fair and the 2017 Fair Queen Pageant. We look forward to hearing from you and seeing you at this year's Ogle County Fair August 2nd-6th, 2017. Please visit us online at www.oglecountyfair.com and like us on Facebook.
